12. **Artwork: from the “In Venice Series” Catedrale Lucca e Piazza San Martino 22 x 22** encaustic & mixed media onto board by renowned Sydney artist Verity Roberts. Her recent series of work is inspired by her passion for travel. These “postcards” are painted in mixed media and contain acrylics, ink, shellac, bitumen, graphite, oil pastels and acetates. Verity has also used encaustic (beeswax) which helps suggest the passage of time. This series represents the artist's interpretation and reflection on these landscapes which she has passed through and over – the delicacy and oftentimes brutality which is reflected therein.

13. **Artwork: Strong Boy** By Feyona van Stom. Feyona has had exhibitions all over the world at S.O.F.A New York, MEK Gallery Argentina and also in numerous galleries in Sydney. Her works are in private collections throughout Europe, the UK, Asia and America. Her painting of A Boy is a gentle abstract.
